EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with J. Kenney on June 16, 2005.

The application has been amended as follows: With regard to the BRIEF DESCRIPTION OF DRAWINGS section of the specification:

1. the phrase, "FIG. 4 shows a planar view", has been replaced with "FIG. 4 shows a plan view";
2. the phrase, "FIG. 5 shows a motional schematic view", has been replaced with "FIG. 5 shows a motional schematic side view";
3. the phrase, "FIG. 6 shows a planar view illustrating the delaying device according to the invention inserted with paper", has been replaced with "FIG. 6 shows a plan view illustrating the delaying device of Figure 5."

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record, including Lee (US 6,827,300) and Strohmeyer (US 5,167,374), disclose mechanical delaying devices for paper shredders. However, Prior Art does not disclose a mechanical delaying device for a paper shredder with the specifically claimed design of the helical cam and spindle with an arm for the delaying device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
